Hopes Happens!

Shayleigh and her siblings are being raised by their grandparents who have plenty of love but limited means. The family was in need of transportation to take Shayleigh to Boston Children's Hospital for treatment of neurological conditions. High Hopes facilitated finding the family a van. There were smiles all around when Shayleigh and the other children discovered the van came loaded with clothes, food and toys.

Henry's parents adopted him from Korea knowing he had medical issues. He has multiple medical challenges causing hearing difficulties, balance problems and sensory challenges. Henry is non-verbal and very bright which causes him frustration. He responds with happiness when he is having a good time. Henry loves water and was granted his dream of a Disney Cruise. His enthusiastic high five brought smiles to everyone's face when the experience was granted
